

The Wessex Classic Car Show has been run continuously by the Dorset Region of the Jaguar Enthusiasts' Club since 1989.

However in 2007/8 we were forced to find an alternative venue whilst the building work was being carried out on the new Tank Museum. We took a break in 2009 to rethink the future of the show and with excellent co-operation from the Tank Museum we are now able to re-launch this year's show back at Bovington. Hopefully you will find it a more interesting show. There are many prizes to be awarded for the best cars in all classes.
