Editors Notes:

Welcome to the latest Newsletter, my last February Newsletter.

As I mentioned to everyone who was in attendance at the AGM last month, this will be my last complete year of doing this role, as by the AGM next year I will have been Editor for 5 years, can you believe it!!

I have enjoyed doing it very much in that time but I think it will be good for the Newsletter, if I step down at the AGM next January. I think things sometimes need shaking up a bit with brand new ideas and ways of doing things, to make them look fresh, vibrant and reinvigorated.

Anyway, that's a whole year away, so let's get on with this one.

There is a larger selection of photographs of the presentation evening in December 2019, which were given to me by John, thank you very much for those, I really appreciate all your efforts and hard work.

See if you can spot yourselves throwing some shapes on the dancefloor or just generally looking gorgeous and having a great time lol.

Thank you to Fiona for all her updates and information and the long-awaited results of the photo competition. Very Elegant Robin!!

If you have any ideas or information you would like included in future Newsletters, please send them to me at editor@1009mg.org.uk

Hopefully see you all soon, keep safe and well.

Karen

Secretary's Scribbles

January kicked off with a good gathering for Club Night and the following week and extremely well attended AGM. Thank you to all who came to the AGM, the interaction was good and although I am still working through some of the minutes and actions, I hope to get those out to you all soon. There were many ideas put forward for events this year together with the statutory events we have each year and I am starting some of the planning. Talking of planning; the risk assessment and event plan for the New Forest Run have been submitted to the NFDC for approval.

I have changed my email 'alias' in the hope that this stops my emails hitting your Junk Mail rather than your Inbox. Let me know if this has changed for you.

Look Ahead

February is rather slow however I have secured us space at the Carpenter's Arms, Bransgore for the Mid Monthly meet on Wednesday 19th - they are expecting us and are pleased following our lunch there in December that we have decided to go back for a Mid Monthly meet.

Winchester MGOC Cobweb Spin in March – 7 cars are now entered for this event and I still have some on a reserve list.

We now have 11 cars booked for the Tamar Valley People and Places Run on 13th September 2020 with accommodation already booked!

The events calendar will be updated and sent out with the AGM notes.

New Forest Run 2020 update

Mid-January the entries were at 37 with 51 cream teas sold. There is the advert in Enjoying MG together with information in their events page.

I am pleased to announce that SERV Wessex (Blood Bikes) and Cruse Bereavement Cruse New Forest were the 2 charities chosen by the members to support this year at the New Forest Run.

The New Forest Run page has been updated and the calendar will be completed very soon. If you have any event that you would like to be put up on the calendar, please just email the details.

Photo competition: As promised I am pleased to announce the winners of the 2019 1009 MG Photo Competition 'All about colour' being the theme:

Runner up: Waiting for the ferry

1st Prize: Capt. Plumley's new command

George Harris in 1853**

Mid monthly meetings are on the third Wednesday of the month and are held at a different pub within the Southampton & New Forest Area. There is no format, just an evening to catch up with other members, perhaps enjoy a meal together and chat.
